DETAILED ACTION

This in response to amendments filed on 5/16/07 in which claims 1-38 are pending. The applicant's amendments have been fully considered but they are based on the new ground of rejection therefore this case is made final.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
2. Claims 5, 23, 26 and 28-29 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
3. Claim 5 recites the limitation "the optimum signal" in lines 1-2. There is insufficient antecedent basis for this limitation in the claim.
4. Claim 23 recites the limitation "the digital versions" in lines 1-2. There is insufficient antecedent basis for this limitation in the claim.
5. Claim 26 recites the limitation "the receiver" in line 3. There is insufficient antecedent basis for this limitation in the claim.
6. Claim 28 recites the limitation "the processing" in line 2. There is insufficient antecedent basis for this limitation in the claim.
7. Claim 29 is also rejected because it depends on a based rejected claim.

Allowable Subject Matter

8. Claims 1-4, 6-22, 24-25, 27 and 30-38 are allowed over the prior art of record.

Conclusion

9. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
